

## YOUR NEW ACCOUNT SUFFIXES

While 9-digit PFCU member numbers are not changing with PFCU's 2019 Systems Upgrade, the suffixes used with different account types will change. Please refer to the guide below to understand your new suffixes, as you may need to use a suffix with your member number when you are accessing your accounts by Telephone Teller or via It'sMe247 on your desktop or mobile device.

**New suffixes will be active starting Monday, June 3, 2019.**
